Dear General:

STATOTHR

Thank you for forwarding the papers on [REDACTED]. If he is called to active service as a Lieutenant on graduation, we may not be able to use him since normally we do not request assignments by name. However, we have plenty of time to look into the matter before he graduates and are always interested in this type of application.

STATOTHR

Incidentally, I received a visit a couple of days ago from [REDACTED] who has been under consideration. He is known to Irubee Davison, but so far they have not found an appropriate spot for him prior to referring him to my office. [REDACTED] told me he knew you well and I wondered if you were familiar enough with his work and background to suggest whether he might fit into somewhere. Anything you can give me in this regard will be much appreciated. STATOTHR

Sincerely,

LAWRENCE R. HOUSTON
